Teacher's Name \_\_\_\_\_

Name of Book	Number of Pages	Name of Book	Number of Pages

Please return this form to the school by September 1, 2015

Parent's Verification \_\_\_\_\_

# Superintendent's Summer Reading Program 2015

**Students:** Because we know that reading is such an important skill, your teachers, principal and I encourage you to read this summer.

**Parents:** Family involvement in education is crucial for children to succeed in school and life. Please read with your children daily. Spend time discussing the stories, characters, places, events and words. Encourage your children to read on their own. Share conversation about books during meals or any other time the family is together. Children's listening vocabulary builds their reading vocabulary.

Students who have read at least 10 grade level appropriate books or 1,000 pages during the summer will be given a certificate of accomplishment when they return to school in the fall.

**Have fun reading!!!**

*Superintendent Jeff Stephens*
